

Ala-Archa National Park (Hiking to Ak-Sai Waterfall)

Страна: Kyrgyzstan

Organizing any complexity of tours to Issyk-Kul, Son-Kul, around Kyrgyzstan and Central Asia. We guarantee you high quality of service and individual approach!:

The weather for the weekend promises to be quite warm. It is a perfect time for a long-awaited tour to Ala Archa National Park.

You will enjoy the stunning landscape, fresh mountain air, hiking tour to the waterfall, see unusual rock formations and much more just in one day!

Program of the day

08:30 departure from Isanova 42/1 street. Arrival at the parking station and breathing in the freshest crystal clear air, we will start hiking along the trail to the Ak-Sai Gorge.

12:00-13:00 Arrival to the waterfall. Along the way, you can make photo stops of beautiful views, you can see the tops of the Korona, Boxing, Ratsek peaks and the Ak Sai glacier. We will pass by the rock "Broken Heart". Picnic on open air with a breathtaking view of the gorge at an altitude of 2700 meters.

14:30 Descent and departure to Bishkek with wonderful impressions and emotions.

17:30 Arrival in Bishkek.

It is necessary to bring trekking shoes, light jacket, hat/cap and drinking water.
