Program:

GALWAY BUSINESS SCHOOL

Galway Business School - is an international private business school located on the shores of the Atlantic Ocean in the picturesque city of Galway, Ireland. During work, the business school has established itself as a high quality educational institution that offers a wide range of programs, such as bachelor, certificate programs, and pre-masters programs. Since the business school is small, each student is given special attention. Thanks to a broad base of partner universities, students of Galway Business School have an excellent opportunity to study for 1 semester or year at one of the rating partner universities, such as the University of Wales, Institute of Commercial Management.

The college is located on the west coast of Ireland in the town of Galway. This is one of the oldest cities in Ireland, its history dates back to the XI century of our era. For many centuries, Galway maintained relations with Spain, so here you can see the influence of Spain in architectural buildings. This suggests that the city is multicultural, so international students are not bored here. Since it is located near the

Atlantic Ocean, there are many opportunities for outdoor activities, as well as beautiful views of the vast ocean.

Programs offered by the college:

Baccalaureate:

Business Bachelor

Business Bachelor with focus on International Business

Certificate programs (duration: 1 semester)

Business and entrepreneurship certificate

Marketing management certificate

Business communication certificate

Marketing and Sales Certificate

Strategic Management Certificate

Preparation program:

Foundation (Preparatory program for admission to the bachelor)

Pre-masters (Preparatory program for admission to graduate school)

Galway Business School strives to provide an individual approach to each student, to help realize plans and skillfully navigate the business community. The administration and teaching staff ensure that students receive a wide range of knowledge, know how to think critically, respect the national value systems, and find a common language both on a personal and professional level.
