Looking for a highly ranked university in a smaller, safe city? The University of Exeter is one of the top 1% of universities in the world. The University is ranked as the seventh best in the UK (The Times and Sunday Times University Guide 2016).

Program:

You'll find Exeter blends the classic and modern. It's a historic and cultural place with wonderful Gothic architecture, but it's also contemporary and vibrant thanks to a large student population. You'll love the traditional English appeal of landmarks and cobbled streets but will also find it easy to meet new people here.

University of Exeter is one of the most popular UK universities having campuses in Exeter, Devon and Falmouth (Cornwall). Doors of university are open both for UK and international students. Powerful scientific base, strong academic staff and modern campus attract students from more than 100

countries, including United States, Canada, China, Russia, France, India, and others.

The University is ranked as the seventh best in the UK (The Times and Sunday Times University Guide 2016).

In addition, the university was awarded the title "University of the Year 2007/2008" and three times received the award for research from Queen Elizabeth II.

University of Exeter works not only with famous British universities, but also conducts research in collaboration with universities in Germany, France, China, Belgium, Czech Republic and Austria. School (Faculty) of Business, Economics and Management is recognized as the best in the UK by the results of the National Student Survey.

University continuously invests in the improvement of student infrastructure and creation of new learning sites, attracting not only own funds, but also governmental grants.

The main campus of the University, located 3 hours from London, was recognized as the most beautiful in England.

The University has more than 100 societies and 50 sports clubs, the student newspaper, radio station and TV channel.

The University has excellent material base that includes academic buildings, sport halls and grounds, day-night computer labs with internet access, modern laboratories, teaching materials for English language learners.

Advantages of the University of Exeter:

- opportunities for scientific research
- unique Business School, which is in the top 10 UK business schools;
- the possibility of getting scholarships and grants
- excellent conditions of accommodation for students (Exeter included in the list of cities, the most comfortable for living).

Accommodation:

Study residence

While studying at University of Exeter, you can choose to live within walking distance of the campus. Student residences are situated just a 15-minute walk from the campus and offer comfortable and well-equipped accommodation, with welfare support provided during out-of-office hours, a shop, takeaway cafe service and a friendly student community to help you make friends.

The University of Exeter caters to a wide variety of interests, making it a great place to immerse yourself in a new culture, make friends and experience all that this area has to offer. Here on campus, you'll find all you need to study, socialise, eat and drink, and keep fit. From social activities to multi-faith services and state-of-the-art sporting facilities, the university provides a fantastic experience for students.

All rooms in the residence are modern, fully-furnished, and have en-suite shower rooms and internet access. The accommodation is self-catered and you'll also live as part of a vibrant student community, with many opportunities to make new friends.

Accommodation facilities include:

- lifts to all floors
- access to laundry facilities
- designated wheelchair-accessible rooms situated near lifts and entrances
- residential staff accommodation
- communal kitchen with cooking and food storage facilities
