

3-days tour to Sary-Chelek Lake

Страна: Кыргызстан

Organizing any complexity of tours to Issyk-Kul, Son-Kul, around Kyrgyzstan and Central Asia. We guarantee you high quality of service and individual approach!:

Kyrgyz Concept offers a weekend tour to Sary-Chelek, one of the most beautiful lakes in the country! It is surrounded by walnut and fruit forests and more than 1000 species of plants, 160 species of birds. Additionally, 34 species of mammals (such as the deer, bear, lynx and wolf) can be found in this relatively small and unspoiled park. The views on the road to the lake are stunning, and this is a completely worthy place on Instagram for traveling! The road goes up and down through several mountain passes above 3500 meters before opening to the green pastures of the Suusamyr valley, where the shepherds and their herds are located. Then the guests find themselves around the huge Toktogul reservoir in the deep gorge of the Naryn River.
