

Trekking to Ala-Archa Gorge

Страна: Kyrgyzstan

Organizing any complexity of tours to Issyk-Kul, Son-Kul, around Kyrgyzstan and Central Asia. We guarantee you high quality of service and individual approach!:

Ak-Sai Valley in Ala-Archa National Park is a famous destination among climbers and hikers. This five-day trek takes you through the colorful and picturesque valleys of Kyrgyz range in the North. You will have a chance to hike across Ak-Sai and Uchitel glaciers, different mountain ranges and approach snow capped peaks Korona, Semenov, Free Korea and many other that surround the glaciers.

The tour begins with journey to Ala-Archa National Park, located 40 km to the south from Bishkek. Upon arrival, the porters are taking over and carrying camping gears for the trek through stunning mountain scenery. Ala-Archa trekking route goes through cool juniper groves and passes many tempestuous rivers, high summits and a wide variety of colorful panoramas with breathtaking landscapes. The alpine meadows are extremely beautiful with its wild flowers and lush grass pastures.

Day 1: Bishkek - Ala-Archa - Ak-Sai
