

Day trip to Ala-Archa National Park from Bishkek

Страна: Kyrgyzstan

Organizing any complexity of tours to Issyk-Kul, Son-Kul, around Kyrgyzstan and Central Asia. We guarantee you high quality of service and individual approach!:

Located 41 km from Bishkek and occupying an area of approximately 20 hectares, the Ala-Archa national park includes all landscape and climatic zones. A river with the same name flows through the gorge. The beautiful landscape and richness of flora and fauna makes it a perfect place for hiking, walking, leisure and recreation all year round.

Program

Duration: 4-5 hours

Location: 40 km to the south of Bishkek, 40-50 minutes of driving

Altitude: 1600-4860 m

Activities: walking tour, hiking to the water-fall (weather dependent, might take a full day)

Season: whole-year-round

Note: recommended to have trekking boots and warm clothes

The Ala-Archa Natural Park is located approximately 40 km from Bishkek. This park is a popular place for these kinds of activities, as a weekend picnic, hiking, horse trekking, skiing as well as mountain climbing. There are more than 20 small and large glaciers, around 50 mountain peaks within the park territory, and 2 small rivers, which originate from these glaciers' melting waters.
