

Winter tour: Ski Base Karakol

Страна: Kyrgyzstan

Organizing any complexity of tours to Issyk-Kul, Son-Kul, around Kyrgyzstan and Central Asia. We guarantee you high quality of service and individual approach!:

Enjoy the beauty of Kyrgyz nature and our celestial mountains at the most famous ski base in Kyrgyzstan. The base is located on 2300 meters above the sea level and is not far from the largest alpine lake - Issyk-Kul.

You will have a beautiful panoramic view of Issyk-Kul Lake from the highest point (3040 m)

There are four chairlifts and different ski runs for professionals and beginners.

The ski season starts in November and lasts up until April. All this time you should not worry about existence of snow because - it covers the ground with a dense 1.5 - 2.5 m.
