

Chunkurchak Gorge

Страна: Kyrgyzstan

Organizing any complexity of tours to Issyk-Kul, Son-Kul, around Kyrgyzstan and Central Asia. We guarantee you high quality of service and individual approach!:

Enjoy the beauty of the Chunkurchak Gorge, located at the source of the Alamedin River, 45 km from the city of Bishkek. A national biosphere reserve has been established on the territory of the gorge, designed to save rare species of tulips from extinction. It is here that the majestic and beautiful Royal Tulip grows, reaching 17 cm in height! The famous forty-meter Pigeon Falls is located in the gorge, its water coolness and myriads of splashes hitting the stones are mesmerizing.
